Parents Feedback Action Taken Report

Session 2021-22

Date 18/10/2022

Based on the feedback received from the parents, the following action has been taken for the academic year 2022-23:-

The teachers and the in-charge of various activities were asked to listen to the problems related to the students pointed out by the parents on the basis of initiative and make every possible effort to solve them. All the departments should regularly share information about career opportunities with the students on the basis of their respective subjects. Parents should be given separate time apart from the PTA meeting and the action taken on their feedback should also be informed and it should be told that it is mandatory to record the written response under the feedback form.
