## Policy on Social Responsibility and Environmental Protection

Shaheed Udham Singh Government College Sunam, being well aware of its social and environmental protection responsibility, also pays special attention to all those things which create obstacles in their way or make them inactive in any way. While implementing in this sequence, our organization has made some special points related to the subjects of Alternate sources of energy and energy conservation measures, Management of the various types of degradable and non-degradable waste, Water conservation, Green campus initiatives, Disabled-friendly barrier free environment. Keeping this in mind, a policy has been prepared which is from the following:-

- 1) To install all possible resources related to Alternate sources of energy in the organization.
- 2) Organizing awareness programs among students for energy conservation and ensuring their participation.
- 3) To give knowledge of the categories of waste to the students and to make meaningful efforts for the management of waste.
- 4) Taking proper management and use measures for degradable waste.
- 5) Launching of Water Harvesting Systems for proper management of water conservation.
- 6) Organizing awareness programs for water conservation
- 7) Organizing or promoting tree plantation program every year for Green Campus Initiative.
- 8) Keeping in view the interests of disabled students, to make every possible effort for their friendly environment
