Objective

- To measure the student's level of satisfaction on their experiences with the Shaheed Udham Singh Govt College, Sunam covering the following areas:
 - Adequacy, accessibility and quality of teaching-learning resources in the college environment.
 - Effectiveness of communication.
 - Academic Staff Performance (Quality of teaching).
 - Evaluation procedure and its effectiveness.
 - Overall student satisfaction level.
- To identify and address gaps for improvement.

The survey was conducted online. Each question has five responses, and respondents have to choose the most appropriate one.

Methodology for Analysis:

The questionnaire is based on the Likert scale where the responses are recorded on a scale of 1 to 5, with the most positive response (Excellent) being rated as 5 and last option of response (Fair) being rated as 1. The given questionnaire was filled online by 326 random respondents from all streams. After the survey, the mean score for each question has been calculated and the overall mean has been arrived at.

Method for calculation of mean score on Likert Scale:

To determine the mean score of the 5-point Likert scale, the following formula has been used:

Mean score = $(5 \times \text{No. of responses in Excellent parameter} + 4 \times \text{No. of responses in Very Good parameter} + 3 \times \text{No. of responses in Good parameter} + 2 \times \text{No. of responses in Fair parameter} + 1 \times \text{No. of responses in Average parameter}) / \text{Total No. of responses in All parameters}$.
