## Work done to give practical shape to the policy of Environment and Energy usage (Action Taken Session 2017-18 to 2021-22)

- 1) Keeping in mind energy and water conservation, various programs were organized to create awareness among the students through Energy and Water Saver Club under Vidyarthi Parishad.
- 2) Energy audit was conducted with the help of external agencies.
- 3) On the basis of the report received from the energy audit, electrical appliances were changed in different rooms as per the requirement.
- 4) Keeping rain water harvesting in mind, water harvesting systems were prepared in the college.
- 5) Staff and students were encouraged to switch off lights, fans, computers and other electrical equipment in laboratories and classrooms when not in use.
- 6) No to plastic program was also started from the organization.
- 7) Plantation drives were organized from time to time and students were also motivated to adopt trees.
- 8) Awareness was created among the students about waste segregation and green, blue and red colored dustbins were installed in the institution.
- 9) In order to reduce air pollution in the college campus, parking was made available to all the vehicles near the gate.
- 10) LED lights were installed in the classrooms and campus.
- 11) Keeping in mind the concept of alternate sources of energy, solar system was installed in the institution.
12. Got the environment audit done internally and externally.
