The members present in this meeting, while implementing the university calendar for the studies of the students under the odd and Even semester of 2019-2020, as well as conducting other

activities were prominently kept. Under which the matter of preparing the time table and improving the facilities available to the students was discussed with all the heads of departments. IQAC has advised the Post Graduation Department of History to organize a program keeping in mind the 20th anniversary of the Kargil War on 26th July, 2019, to inculcate a sense of respect for the soldiers among the students. Here under the Tandrust Punjab Mission running under the guidelines of the Punjab Government, a program should be organized in the month of September to create awareness among the girl students about how to take care of themselves and their health. Along with this, keeping in mind the 150th birthday of the Father of the Nation, Mahatma Gandhi, it should be made mandatory to organize a program for the purpose of spreading of his teachings. The commerce department was told that a seminar should be organized by them in the month of October, in which the students should be informed about the issues related to finance. Keeping in mind the education of the students, academic tour should be taken in Science City Kapurthala and the knowledge of the students should be increased. Keeping in mind the next stage, giving importance to the conduct of the mid-semester test, its well-planned management was advised to the house examination team.
