An internship is a position for a students who works for a company to get experience in a particular field. An internship is generally done by the undergraduate or graduate students who is a fresher and needs a start to their working career. Internship will surely help you to gain experience, which will be very beneficial for your resume. Sometimes after the completion of your internship, if the company likes your work, they may hire you as a full time employee

Sub:Approval for internship

Dear Sir/Madam,

I am writing this letter in response to your letter no 72 dated 08-02-2022. We are delighted to accept the request of internship for your students with our company. We have decided to take 60 internees from your college to work on our different ongoing projects (Computer hardware and software training) starting from 21-2-2022 to 21-4-22. During this period, your students will be designated as "internees" at our company.

All the details in relation with the project and duties of the respective internee will be shared on the very first day of their internship with us. And once they have successfully completion of two months, all the internees will have to submit a detailed project report on their internship which will have details of their project and their roles. This report will mark completion of their internship and then the company will issue them an internship certificate

Note- Please send 15 students in one group for 15 days internship

With Regards
