Proposal for conducting Short Term Certificate Course

Basic information of Proposed certificate course	
Name of the Course	Certificate Course in Web Designing with HTML & CSS
Name of the Department	HEIS
Duration of the Course	30 Hrs.
Target Group	PGDCA &M.SC.(IT)
Medium of instruction:	English
Number of candidates to be admitted	Not Fixed

Objectives of the course:

- ➤ Providing quality content on your website, regularly adding new information, establishing trust, and marketing your site on other websites and social media.
- ➤ The most important objective of website design is clear communication. A website is a medium through which communication takes place. Just like the pages are the medium for a printed book. It is very important for a web designer to consider the needs and wants of the reader.
- ➤ Improve Lead Conversation Rate
- ➤ Improve Sales Flow
- ➤ Increase Sales from Returning Customers
- ➤ Become an Authoritative Resource: Providing quality content on your website, regularly adding new information, establishing trust, and marketing your site on other websites and social media.
- ➤ Improve Interaction with Existing and Potential Customers
- ➤ E-mail marketing lists, online support (live chat), webinars, and content designed to give your visitor a reason to come back.
- ➤ Build Your Brand
- ➤ Active social media program, promotions, and reputation management.
- ➤ The goals of a website featured above are examples; you can implement variations of different objectives to achieve these same goals, depending on the type of company you have and how fast you would like to grow.

Course Duration & Schedule:

The certificate course will be conducted over a period of twelve weeks, with two sessions held each week. Each session will last for two hours. The schedule will be designed to accommodate free time and ensure accessibility for participants.

Teaching Methodology:

To ensure an engaging and effective learning experience, the course will employ a blend of interactive lectures, Group projects, hands-on exercises and discussions.

Information of Faculty:

Neetu Bala, Assistant Professor of HEIS Department having MTech. qualification and 4 years of teaching experience.

Learning Resources:

Participants will receive a comprehensive pack that includes lecture Notes, recommended reading books from college library and online resources.
